About **moris**media

Moris Media is a professionally managed public relations, digital marketing and reputation-management organisation with 12+ years of industry experience, recognised as one of the world's leading PR and digital marketing boutique agencies, working across 40+ countries.

Job Summary

Moris Media are searching for a **SENIOR** Laravel developer to build web applications for our company. In this role, you will design and create projects using Laravel, framework and PHP, Livewire, JavaScript and assist the team in delivering high-quality web applications, services, and tools for our upcoming SaaS based product.

To ensure success as a Laravel developer you should be adept at utilizing Laravel's GUI and Livewire, be able to design a PHP Application from start to Finish. A top-notch Laravel developer will be able to leverage their expertise and experience of the framework to independently produce complete solutions in a short turnaround time.

Primary Responsibilities

- Laravel Developer Responsibilities:
- Discussing project aims with the client and development team.
- Designing and building web applications using Laravel.
- Troubleshooting issues in the implementation and debug builds.
- Working with front-end and back-end developers on projects.
- Testing functionality for users and the backend.
- Ensuring that integrations run smoothly.
- Scaling projects based on client feedback.
- Recording and reporting on work done in Laravel.
- Maintaining web-based applications.
- Presenting work in meetings with clients and management.
- Laravel Developer Requirements:
- A degree in programming, computer science, or a related field.
- Experience working with PHP, performing unit testing, and managing APIs such as REST.
- A solid understanding of application design using Laravel.
- Knowledge of database design and querying using SQL.
- Proficiency in HTML and JavaScript.
- Practical experience using the MVC architecture.
- A portfolio of applications and programs to your name.
- Problem-solving skills and critical mindset.
- Great communication skills.
- The desire and ability to learn.

Required Skills

- Strong proficiency in PHP and extensive experience with the **Laravel framework**.
- Expertise in **Livewire** for seamless user interfaces.
- Strong knowledge of **JavaScript**, HTML5, and CSS3.
- Experience with front-end libraries and frameworks such as Vue.js, React, or Angular is a plus.

- Solid understanding of **RESTful APIs**.
- Familiarity with database technology such as MySQL, PostgreSQL, or MongoDB.
- Strong analytical, problem-solving, and critical-thinking skills.
- Excellent verbal and written communication skills.
- Ability to work in a fast-paced environment and meet tight deadlines.

Qualifications & Experience

QUALIFICATIONS:

- **5-7 years** of professional experience in Laravel development, particularly with Livewire and JavaScript.
- Familiarity with all stages of the product development process.
- A bachelor's degree in Computer Science, Information Technology

Mandatory Requisites:

- Laptop/desktop with upgraded configurations.
- High-speed internet connection.
- Excellent oral and written communication skills.
- Flexibility to travel occasionally.
- Strong telephonic skills.
- Ability to manage tasks and work under pressure.

Salary: Negotiable, based on overall profile, experience, personality, and skills.

Job Location: Moris Media operates remotely, accommodating employees in diverse geographical time zones. Travel-related expenses will be reimbursed if required.

Note: If you do not meet the experience criteria or do not possess advanced knowledge in design, we kindly request do not apply.

Apply Only Through the Official Job Page

Candidates must review the complete job description, eligibility requirements, work model, location and experience expectations before submitting accurate and updated information through the official application form.

Submitting an application does not guarantee shortlisting, an interview or employment. Moris Media does not request registration charges, security deposits, training fees or candidate payments through its official recruitment process.
