About **moris**media

Moris Media is a professionally managed public relations, digital marketing and reputation-management organisation with 12+ years of industry experience, recognised as one of the world's leading PR and digital marketing boutique agencies, working across 40+ countries.

Job Summary

We are looking for an experienced Laravel developer with hands-on experience in Laravel's latest version and Livewire. The ideal candidate should have a strong understanding of PHP, Laravel framework, and web application development. You will be responsible for building and maintaining high-quality web applications that meet the needs of our clients.

A top-notch Laravel developer will be able to leverage their expertise and experience of the framework to independently produce complete solutions in a short turnaround time.

Primary Responsibilities

- Write clean, efficient, and well-documented code in Laravel's latest version
- Develop and maintain web applications built in Laravel, utilizing Livewire
- Troubleshoot and debug applications
- Participate in requirement gathering, design, and architecture of the project
- Collaborate with cross-functional teams to deliver high-quality software
- Ensure the performance, quality, and responsiveness of applications
- Stay up-to-date with emerging trends and technologies in web development

Required Skills

- 5-7 Experience Laravel's latest version and Livewire
- Strong experience with Laravel and PHP
- Knowledge of HTML, CSS, and JavaScript
- Understanding of MVC design patterns
- Experience with REST API development
- Knowledge of database design and management (MySQL, PostgreSQL, etc.)
- Ability to write tests and follow test-driven development
- Good understanding of version control (Git)
- Excellent problem-solving and analytical skills
- Good communication and teamwork skills
- Ability to work under pressure and meet deadlines

Qualifications & Experience

Bachelor's or Master's degree in Computer Science or related field

Apply Only Through the Official Job Page

Candidates must review the complete job description, eligibility requirements, work model, location and experience expectations before submitting accurate and updated information through the official application form.

Submitting an application does not guarantee shortlisting, an interview or employment. Moris Media does not request registration charges, security deposits, training fees or candidate payments through its official recruitment process.
