Job Summary

We are looking for an expert Senior UI, UX, & Front-end Developer to join our IT department. The ideal candidate will have the ability to grasp human-computer interaction design (HCID), design visually appealing design, and multi-functional front end.

Primary Responsibilities

- As per the client's requirement and understanding of the background, designing creative website UI/UX design and converting to the front end.
- Determining the structure and design of web pages.
- Ensuring user experience determines design choices.
- Developing features to enhance the user experience.
- Striking a balance between functional and aesthetic design.
- Ensuring web design is optimized for smartphones.
- Building reusable code for future use.
- Optimizing web pages for maximum speed and scalability.
- Utilizing a variety of markup languages to write web pages.
- Maintaining brand consistency throughout the design.

Required Skills

- Proven work experience as a UI/UX Designer and Front end Development
- Portfolio of design projects
- Knowledge of all design tools, latest trends and web building technology, and frontend/back end dynamics.
- Up-to-date knowledge of design software like Adobe Illustrator and Photoshop
- Team spirit; strong communication skills to collaborate with various stakeholders
- Good time-management skills
- Have excellent skills in problem-solving
- Be proficient in communicating with team members, seniors, and clients
- Have good interpersonal skills

Qualifications & Experience

- 3+ years of experience in UI/UX designing and front-end development.
- Bachelor's degree or Master's Degree in B.SC and Web Designing and Development
- Experience using design software such as InDesign, Photoshop, and Illustrator, Adobe Creative Suite.
- Degree in computer science or related field.

- Understanding of key design principles.
- Proficiency in Designing software, HTML, CSS, JavaScript, and jQuery.
- Understanding of server-side CSS.
- Experience with graphic design applications such as Adobe Illustrator.
- Experience with responsive and adaptive design.
- Understanding of SEO principles.

Apply Only Through the Official Job Page

Candidates must review the complete job description, eligibility requirements, work model, location and experience expectations before submitting accurate and updated information through the official application form.

Submitting an application does not guarantee shortlisting, an interview or employment. Moris Media does not request registration charges, security deposits, training fees or candidate payments through its official recruitment process.
